

~ In Flanders Fields ~

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved, and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

THE ROYAL CANADIAN LEGION
PRINCE EDWARD ISLAND COMMAND

Message from The Lieutenant Governor

On behalf of Her Majesty the Queen I am indeed honoured to have been asked to submit a message for inclusion in this special commemorative booklet outlining the history of the Royal Canadian Legion on Prince Edward Island.

Being a member of the Legion myself, I know first hand the valuable work that is being carried out in communities all across Prince Edward Island by Legion members and the impact this group has had on countless individuals. The Legion veterans who served our country in wartime have inspired us all and their sacrifices have made our country a better place in which to live. The history of the Royal Canadian Legion on Prince Edward Island is indeed a rich one and I very much look forward to reading the information contained in this booklet. Congratulations to all who have contributed in any way to the publication and I wish you continued success in your valuable work.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

A Message from Dominion President

On the occasion of the production of this commemorative booklet, I am most pleased to bring you greetings from Dominion Command of The Royal Canadian Legion. As a native Islander, the son of a veteran and the first Dominion President of the Legion from Prince Edward Island, I am most grateful to those who have toiled to make this project a reality.

The history of our small province is one that is envied by those of larger proportions. It was here that the very roots of Confederation took hold and resulted in the growth of a nation that is second to none in the world. Our men and women have served that nation with great distinction, and, despite our diminutive size, our people have made the sacrifices required to ensure this nation can still stand proud and free. We have hosted those from other nations who needed training to combat the forces of oppression. We have been there when called and our brave sons and daughters still answer the call today.

The history of The Royal Canadian Legion, its dedication to veterans and the perpetuation of remembrance, is clear evidence of the impact this province and its people have had on the development of Canada. Those who served started the Legion, the best known community-based service organization in the country. Their relatives and friends continue that tradition today, and through efforts like this, will continue to ensure that those who went before will not be forgotten. Through the efforts of those who serve today ***“We Will Remember Them”***.

Message from The President

On behalf of the Prince Edward Island Command Executive Council of The Royal Canadian Legion, I am both pleased and proud with the production of this commemorative booklet which outlines the history of The Royal Canadian Legion on Prince Edward Island.

The Royal Canadian Legion was organized by veterans to assist other veterans and their dependents and to ensure that the sacrifices made by their comrades would be remembered by all Canadians who continue to enjoy the freedom won by our veterans at extreme costs of life during World War I, World War II and the Korean War.

The Royal Canadian Legion is the largest community based organization in Canada and Legion youth, education, sports and community programs provided through the volunteer efforts of our membership have benefitted hundreds of thousands of Canadians, in both urban and rural areas of Canada, since the Legion's origin in 1926. PEI Command has been an intricate part of The Royal Canadian Legion throughout its history and I hope that this commemorative booklet will be of lasting interest to all Prince Edward Island citizens, especially our young Islanders.

Yours sincerely,

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 1 - Charlottetown

Our Legion Home has a long and proud history of involving both our Veterans and Ladies Auxiliary. The origins of the Charlottetown branch began in 1917 on the second floor of the old Market building (the present site of the Confederation Centre). Within a year, efforts were organized to form a branch of the Great War Veterans Association of Canada. The local branch was incorporated on October 9, 1918. This incorporation was followed by the adoption of the first by-laws a year later on October 17, 1919. Our first official branch home was located on the third floor of the Offer building on Queen Street.

As more Veterans became involved in the branch, a permanent site was secured on Grafton Street between Queen and Pownal Streets in 1926. During this same year the Great War Veterans Association passed a resolution on June 16 to merge with the Canadian Legion of the British Empire Service League. Two years later on January 8, 1928, the Dominion Executive Council granted Charlottetown Branch No. 1 the first Charter on Prince Edward Island. Mr. Harry MacDougall was the first Branch President.

The Grafton Street branch home was expanded three times prior to 1946 to accommodate a growing membership of returning Veterans and members of the local armed forces. Throughout this period the Charlottetown Legion's Ladies Auxiliary operated a canteen in the branch home and served hundreds of thousands of meals to Legion members. The Auxiliary has always assisted the Legion in its' endeavors. This is evident every Fall during the Poppy campaign. Their responsibility is the sale and delivery of the wreaths. Since 1936, and still today, the Auxiliary donates many thousands of dollars to the branch home for operational and capital needs.

On August 16, 1963, the Charlottetown Legion opened their new branch home on Pownal Street at a cost of \$234,000. Mr. Justice C.C. Sparling, Dominion President, Lieutenant Governor W.J. MacDonald and Branch President, Freeman Miles attended the official opening. Today, our branch home stands as a proud reminder of the many stories told, the many functions held and the many dedicated Veterans who volunteered their time.

A Song For The Brave written by John A. MacLean in appreciation to the men and women who served their country.

A Song For The Brave

To the heroes that we owe for our freedom
Who fought and died in a land across the sea
Brave young men and courageous young women
They answered the country's call for you and me

Good men died out on the field of battle
And in the battles upon the raging sea
Those brave men that gave all they had to give
So the people could live in a land that's free

Gave up their youth and their prime for this country
left their homes and the people they loved so dear
Those that returned had to live with tragic memories
of the hardship, and the death, and of the fear

Good men died out on the field of battle
And in the battles upon the raging sea
Those brave men that gave all that they had to give
So the people could live in a land that's free

Good men died out on the field of battle

Branch No. 1 - Charlottetown Ladies Auxiliary - History

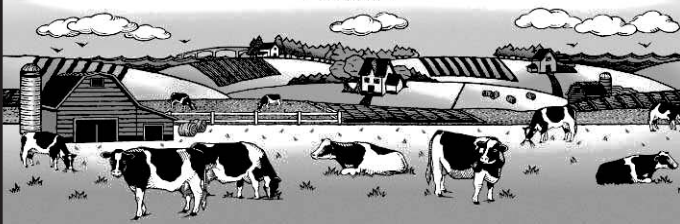

Charlottetown Auxiliary was formed in 1936. The first meeting was held November 15th, 1936 with the following slate of Officers: President : Mrs. W.S. Stewart; 1st Vice President: Mrs. I.E. Croken; 2nd Vice President: Mrs. Florence Cook; Secretary: Mrs. Cecil Stewart; Treasurer: Mrs. A.G. Peake

Before the formation as an Auxiliary it was known as G.W.V.A. (Great War Veterans Association) and any monies they had in that organization was transferred to the Auxiliary.

A Charter was granted the Auxiliary on December 20, 1936 with the following Charter members: Mrs. W.S. Stewart; Mrs. A.J. MacDonald; Mrs. Arthur Peake; Mr. J.P. Hillion; Mrs. Florence Goodwill; Mrs. J.S. Walker; Mrs. J.A. MacKenzie; Mrs. J.F. Leightizer; Mrs. A.B. Cosh; Mrs. Norman Lowther; Mrs. G.S. Sherran; Mrs. Leo Bradley; Mrs. Gordon Worth; Mrs. Robert Cotton; Mrs. I.E. Croken; Mrs. T.E. MacNutt; Mrs. Elmer Ritchie. Of these Charter members four are still living: Mrs. Bradley; Mrs. Peake; Mrs. Sherren; Mrs. Lowther

One of the greatest works the Auxiliary did was during the Second World War when a training station was located near Charlottetown and hundreds of Air Force Personnel from other Allied Countries were stationed here. The Auxiliary operated a canteen in the Legion home on Grafton Street at that time, and served over 500,000 meals to various servicemen from all branches of the armed forces. Of the women who worked in this Canteen, Ida Sudsbury, Chatherine Lee, Alice Jewell, Ellicott MacLean, Gypsy MacGillivray, Lexie Jordan and Nora Wonnacott are still with us. Lily Corrigan who also worked in the canteen, was a Life Member and received the highest Honor of the Auxiliary. She retired and returned to Charlottetown where she was elected as Treasurer and served this office for 20 years until her death.

The Auxiliary grew in membership from 17 in 1936 to 188 in 1988, that is including Life Members. In 1963 the Legion Home moved from Grafton Street to its present location on Pownal Street, in 1979 it was re-decorated. The Auxiliary helped in any way it could in this operation. We have all our minute books except two since the beginning. It is quite interesting to see how the older members made money, and how much they contributed in time and goods. When they would have a banquet to cater to for example, two ladies would be assigned to make mayonnaise and bring it in, two more were assigned to bring tea, coffee and cream, two more would look after pies and rolls, two more potatoes, etc. The turkeys were all cooked and sliced at home, and some of the members took their white sheets in for tablecloths. There is some difference now, where everything is bought and paid for by our Auxiliary.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 1 - Charlottetown Ladies Auxiliary - History

The Auxiliary assists the Branch in all its endeavours, especially the Poppy campaign every year. They have the full responsibility of selling the wreaths. It also assists in visiting and giving treats to veterans in hospitals and other institutions.

During these years thousands of dollars have been donated to the Branch. This was through the work of all Auxiliary Members who worked hard at banquets wedding receptions, bingo and special dues. Monies were also donated to worthy causes in the community.

Through the years many additional Auxiliaries were formed throughout the Island, and in 1954 a Provincial command was formed. Many of the first members of our Auxiliary went out and helped set up these Auxiliaries. The membership of which has grown steadily through the years and is very encouraging.

Irene King, President
Ladies Auxiliary
Branch No. 1 - Charlottetown

Branch No. 2 - O'Leary

The O'Leary Branch of The Royal Canadian Legion was active as early as 1920. At first, O'Leary had a Returned Soldiers Club, then a Great War Veteran's Association. In 1926 the British Empire Service League was formed, inviting existing veterans organizations to join. This group was to become the Canadian Legion. O'Leary and Charlottetown were the first groups to join. Although O'Leary actually had its charter first and was expecting to be designated Branch # 1, the honour fell to Charlottetown because the Provincial Command Headquarters was located in the capital city. O'Leary received the designation of Branch # 2, which it carries to this day. The Charter displayed in the Members Lounge dates January 11, 1928.

Bradford MacKay, a veteran of the 1st World War and a member of the Veterans Guard, took on the task of keeping the Branch alive during W.W.II. With so many young men from the O'Leary area enlisting, membership dwindled and there was a possibility that the Branch would lose its' Charter. Mr. MacKay solved the problem while guarding POW's, he signed up members from all over Canada.

When the time came to find a suitable building for the Legion Home, a barracks was purchased for \$500.00 from the Mount Pleasant Airport, which was a training centre during the war. The Ladies Auxiliary was formed in 1955. The Ladies helped with fundraising, banquets and other projects that would benefit the Branch and remain an active and vital part of the Branch.

In 1978 a 2-storey extension was built onto the original building, but in 1990 a fire destroyed much of the Legion Home. Today, much of the original building has been renovated and a 50-ft extension was added after the fire.

One of the projects proudly sponsored by the O'Leary Legion was the construction in 1987 of a 16-unit seniors' housing facility known as the Jubilee Home. This project was planned and headed by the O'Leary Legion Development Corporation.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 3 - Souris

The original charter was given on April 8, 1930 to the Souris Branch of the Canadian Legion of the British Empire Service League and was to be known as Souris (P.E.I. No. 3) Branch. The original Charter Members were Harold C. Croucher, Lambert Cheverie, Michael Richard Cheverie, Louis Fougere, Isiah J. Horne, Alphunsus James MacDonald, Emanuel MacDonald, Michael Francis McIntosh, Daniel Leonard O'Hanley, Arthur A. Paquet, M. Leander Paquet, George Perry, Norman Henry Richards, Frederick Stillman, Joseph Walsh, and Eliel Lorenzo Paquet. The charter was renewed on March 5, 1968 and the Branch was to be known as Souris (Prince Edward Island No. 3) Branch of The Royal Canadian Legion.

The current Executive consists of President David Perry, Past President Kenny Mallard, 1st Vice President John Higginbottom, 2nd Vice President William Gillam, Treasurer Clarence MacDonald, Secretary Basil MacDonald, Sgt at Arms Gordon Robertson, and Honorary President Margaret Doiron. The branch also had a very active Ladies Auxiliary up until 1998 at which time they gave up their charter.

The original Legion was situated above what was once the old Shoppers Drug Mart, then it moved to the McQuaid building for a number of years and then it moved to a building behind the old fire hall owned by Dr. Fred MacDonald until it burnt. Then the building we are now in was built

in 1954 and a piece was added to the end facing the water at a later date. Then a few years later there was a piece added to the side next to where Allan MacDonald lives now and a porch added across the front. Then a few years later the underneath part of the legion was dug out and a basement put under it, this housed a meeting room and a second bar. The cannon in front of the branch was once situated on the corner of Chapel Street and Main before being moved to its present location. It was there that the first Remembrance Day celebrations took place with the accompaniment of our own Legion band. The Branch is most recognized by a number of veterans, such as the Honorable Daniel J. MacDonald who served with the Cape Breton Highlanders during WWII and lost an arm and a leg in action during fighting at the Senio River in Italy on Dec. 21, 1944. He was a member and was past President of the Branch. He was elected in the Cardigan riding in 1962, and became Minister of Veteran Affairs in which he served this portfolio from 1972 - 1980. Also nursing sister Rena MacLean was drowned when her ship, the Landover Castle, was torpedoed and went down while taking wounded soldiers back from the war. Also we had Colonel Daniel MacCormack as a member of our branch. We also had 4 families in which 6 members of the family were involved in WWII: the Cheverie, Creamer, MacDonald, and MacIntyre along with the McIntosh's whose father was in WWI and 4 sons and a daughter were in WWII. There also is a picture memorial in the branch of hundreds of **veterans who served our country** in many ways over the years.

Branch No. 4 - Mt. Stewart - The John Hamilton Douglas Legion

Branch #4 of the Mt. Stewart British Empire Service League was formed in 1930 / 31. The original charter members are listed on a board in the Veterans Room at our legion. Starting in 1940 the branch was kept together by a few dedicated people by having dance and film shows to help make ends meet. These were held in the Legion Home which was situated by the River, unfortunately this home was lost by fire in the early 1950's. Meetings again were held in private homes as they had been in the beginning, until the new Home was rebuilt on the same lot. The mortgage being quite large we could not afford to keep it up, so the building was put up for sale in 1955, and a smaller home (one room) was built (18' x 30') in a new location. At this time we took our place on the roster for Zone meetings and only men met for those meetings. Betty Birt and Doris Douglas made sandwiches and sweets, cups had to be borrowed from R.C. Clark, and we had to wait in the car until the meeting was over to serve the lunch. In 1958 a small addition was added on and it soon became apparent that once again it was too small. In 1962 it was decided that we not only move our home to its present location (the Cardigan Rd.), we should again increase room size in our home, and as well add a basement. This worked well until the age of majority was changed to 18. The Executive and members felt to accommodate younger members the building should once again be expanded, this was done by building on to the full length of our home at the rear, yet still leave room for vehicles to drive in one gate and exit the other.

An official opening had not been held, so it was decided to make it a dual affair. This was held in 1964, with the opening of the home and paying tribute to all of our Past Presidents. Our branch may be small in comparison to others, but we will not take a back seat in our dedication to our Veterans, their dependents and the general public. We strived to set and uphold a good image and set high standards within our Branch. In the beginning of the legion until the credentials for membership were changed, our only qualification for membership was unique - it required **SERVICE**.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 4 - Mt. Stewart - The John Hamilton Douglas Legion

The Branch over the years supported Blood Donor Clinics, Boy Scouts, Cubs, Girl Guides, Brownies, sponsored a child in Africa, helped sponsor defensive driving, and assisted Provincial Command in visiting all homes to find out if a veteran needed assistance, as many were not legion members and did not know of the legion programs that were available to help them out. The number one project that required a lot of time was our Remembrance Day program with the distribution of poppies and wreaths to the local public. Veterans visited the schools and talked to the youth about war and as well, peace. We have also helped host centennial projects, and several sports dinners for fund raising. The Branch sponsored the Mt. Stewart Seagulls Hockey Team and baseball team, as well as providing the ball team with jackets.

Hamilton Douglas was awarded the Legion Meritorious Service Medal in 1968, and this was the highest Legion Award available at that time. In 1982 we lost one of our most dedicated members, a staunch legionnaire. A member who held every office at Branch level, Zone Commander and Zone Sports Chairman for 25 years, he went on to hold every office on Provincial Command and represented the RCL of this Province on Dominion Council, and working on several committees at Dominion level. Sports was one of his main interests, and working with youth. When the Dominion Track and Field first began, it was much smaller than today. The earlier meets were held at St. Michael's College, Toronto in July and August. PEI were allowed 2 athletes and 1 legion Rep, so for 10 days every year for eleven years, he gave up a vacation to attend this clinic. Alfred Groom from Summerside and Bob Simpson, a retired Principal of Montague High School were two of the youths that attended with him. Late in 1982, Prov. President E. Carver made the suggestion to the Branch members that in recognition of these many achievements the Branch should be named in his honor. All members were in agreement to this recognition and was passed unanimously at a general meeting and approved by both Provincial and Dominion Commands. In May of 1983 a banquet was held with many dignitaries in attendance, and our Branch became officially known as the John Hamilton Douglas Br. #4 R.C.L. Mt. Stewart.

We are now looking to the youth to carry on the things that we as veterans have worked so hard to establish; unity, help for disabled veterans and families and above all to set a good image in the eyes of the public, never forgetting those who so gallantly gave their lives so that we can enjoy the freedom we have now.

Past Presidents of the Mt. Stewart Legion are as follows: Joseph Fisher, John B. MacIntyre, Fred Clark, Collie MacDonald, Oliver S. Smith, Douglas Coffin, W.J. (Bill) Lacey, Roy Leard, R.H. Innis, C.D. Coffin Jr., George McCannell, Francis MacDonald, Angus F. Hughes, J. Hamilton Douglas, Doris Douglas, Raymond Birt, James Feehan, Tom Atkins, Ron McInnis, and to date Melvin Jay. The John Hamilton Douglas Legion presently has a membership of 55 members.

Branch No. 4 - Mt. Stewart - Ladies Auxiliary

The Mt. Stewart Ladies Auxiliary was formed in the Spring of 1957 and members had to hold their meeting on alternate nights because of lack of space. Mrs. Ira Brown (Charlottetown) was Zone Commander, initiated the Ladies and installed the officers: President, Mrs. Anna Jay; 1st Vice President, Doris Douglas; Secretary Treasurer, Bessie Doiron.

Ladies Auxiliary Members in attendance at that time were:

Beth Jay; Betty Douglas; Lillian Clark; Della Crane; Nora Jay; Betty Birt; Freda Douglas; Annie MacEachern; Mrs. George MacKenzie; Zelda MacIntyre; Glenna Affleck; Mrytle Leard; Winnifred MacDougall; Helen Coffin.

Past Presidents of the Mt. Stewart Ladies Auxiliary are as follows:

Anna Jay; Doris Douglas; Ida Mitchell; Helen Coffin; Kay MacIntyre; Phosie Carruthers; Glenna Affleck; Anne Feehan; Paula Cobb; Velma Affleck

In recognition of the past presidents, it is indeed a great honor to acknowledge these women who carried the Charter of the Ladies Auxiliary through much hard work and dedication. Today the Ladies Auxiliary is still quite active with a membership of 15 including 8 Life members. Although our membership is small, we support activities at Branch, Zone and Provincial Levels, and work faithfully towards the betterment of the Branch.

Branch No. 5 - Summerside - George R. Pearkes V.C.

The Summerside Branch of The Royal Canadian Legion received its Branch Charter on May 31, 1931. There were fifteen Charter Members with Ulric D. Dawson being the first President.

For the first few years, Legion meetings were held at the Armories on Summer St. In 1941, the property at the corner of Church and Summers streets was purchased and became the Branch Home from 1941 - 1944.

The second Branch Home was located in what was known as the Saunders property on Central St. where the present Post Office now stands. This served as Legion Home until 1948 when the membership out-grew its capacity.

The former Summerside Curling Club on St. Stephen St. was also Branch Home for a period from 1948-1951.

From 1951 to 1960 the Legion Home was located in the upstairs area of a building on Water Street across from the CN Station.

During the later part of the 1950's, it became apparent that the membership and their activities had outgrown these quarters and a building committee was formed to look into finding a suitable location to construct a new Legion building. Due to the hard work and foresight of this committee, our new Branch Home was opened in early 1960 and became known as the George R. Pearkes V.C. Branch #5.

Over the years we have been fortunate to have some very enterprising people on our Executives who have brought our Branch through many highs and a few low periods to become what it is today; a place where everyone is welcome and made to feel at home. Our large hall in the upstairs area of the building has served many banquets and other entertainment and community events.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 5 - Summerside - George R. Pearkes V.C.

The Ladies Auxiliary has played a major role in the financial success of this Branch as their kitchen has produced thousands of dinners over the years with over 22,000 plates served during the past year.

The members of Branch No. #5 have been great supporters of Community events and projects over the years. During the 1960's this Branch sponsored Hockey and Baseball teams of the Junior age group for several years. In 1964, both of these teams won Maritime Championships which highlights the quality coaching and local athletes of that period.

The Branch still continues to sponsor and support minor sports teams along with numerous other community efforts such as the new East Prince Health Centre and the Summerside Lobster Carnival.

Over the years this Branch has sponsored or been part of the following #85 R.C.S.C.C., this year in its 50th year, 1967-1970 Legion Band, which won acclaim as it toured across Canada, and numerous other smaller projects which were taken on to the benefit of the Community.

The Remembrance Day activities are still the highlight of our Legion year. The parade and ceremonies at the War Memorial Cenotaph are always well attended events and the co-operation of the business community and general public is very evident by the large number of wreaths placed each year in memory of those who made the ultimate sacrifice in WWI, WWII, and the Korean Conflict.

During the last few years the: "Lest We Forget" Committee has worked very hard to put on programs that involve the six local schools and include their participation in visiting the Branch to view the skits and displays. We have had excellent co-operation from several local museums and collectors of wartime memorabilia and military items.

This Branch has been fortunate to have had excellent leadership qualities in those who have served as President and in Executive positions through the years. The position of Secretary-Manager has been very important in the day to day operation of the Branch and we have had some very dedicated people in this position as well.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 6 - Tignish

The Branch's history can be traced back to a meeting held on the 17th of July, 1919 when a Branch of the Great War Veterans Association was formed. In 1926, the Branch would be chartered under the Canadian Legion of the British Empire Service League which would eventually become the Royal Canadian Legion in the 1960's. The Branch catered to veterans from St. Louis, Miminegash, Elmsdale and Alberton.

For many years the Branch operated in members' homes and rental facilities, including the C.M.B.A. Hall which was to become the first permanent Legion Home in 1945, when it was purchased by the Branch. This move was necessitated by the return home of the Second World War Veterans. The C.M.B.A. Hall was to serve as the Legion Home until it was completely destroyed by fire on the 25th of June, 1952. Through the efforts of an active and dedicated membership and the support of the community, a new Home was built on Phillip street, with the official opening held on the 3rd of February 1953. The building underwent many renovations and additions during the next 3 decades and was a source of pride to its members and the community. Disaster struck again on the 20th of July, 1981 when an early morning fire completely destroyed the building and its contents.

Once again, it was not long before the membership, with community support, was able to erect a new Home which was officially opened on the 25th of September, 1982. Restaurant facilities were added in 1983 with the restaurant opening to the public in June of that year.

The Legion's success over the years can be attributed, to a great degree, to the formation of the Ladies Auxiliary group in 1955 and the Fraternal affiliated in 1970. These groups, with the recent changes in membership to include Associates as voting members will hopefully assure leadership and commitment to the success of our Branch in the future.

In 1951, the Branch was instrumental in fulfilling a dream of the membership to erect a Memorial for those soldiers who paid the supreme sacrifice during the 1st and 2nd World Wars as well as the Korean war.

In 1973, the year of the P.E.I. Centennial celebrations, the Branch, in cooperation with the communities of St. Louis, Miminegash, St. Edward and Palmer Road, erected a Memorial on the St. Louis Elementary School grounds.

The Branch prides itself in sponsoring #641 Royal Canadian Air Cadets Squadron since its inception in 1957. The squadron continues to provide a challenge to approximately 30 area youth. In addition, the Branch has, over the years, supported the Canadian Red Cross Society, local and regional hospitals, seniors' programs, including the recently constructed Seniors Housing Co-op, Scouts and Girl Guides and other community groups and organizations.

Membership stands at 172 and includes: 60 Ordinary / Life Members; 101 Associate Members; 4 Affiliate Voting Members and 7 Affiliate Non-Voting Members.

Branch No. 7 - Eldon

In 1958 a committee of the members of the Board of Trustees went to see Mrs. George Docherty about purchasing a building which her husband had carried on a grocery business. THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 9 - Kensington - Lt. Col. E.W. Johnstone

The First World War created a new and unforeseen circumstance in Canadian society: the need to provide both for a large number of wounded personnel released from military service and for the dependents of those personnel killed while serving. In the Canadian Expeditionary Force there were approximately 60,000 killed and 138,000 wounded in World War One. Many thousands more lead a very difficult and distressful life as a result of their war experiences. The governments of the day were unprepared to meet these needs and many veterans groups were organized to advocate on behalf of war wounded and dependents.

It was soon evident that these many groups should unite and speak with one voice to address the needs of veterans and dependents. In the United Kingdom the British Legion and the British Empire Services League (BESL) was formed in 1921, amalgamating several groups. In 1925, 12 Canadian veterans groups united to form the Canadian Legion of the BESL.

The Legion continued to grow in Canada and, although experiencing difficulties in the Great Depression, finally came to Kensington in 1932. In that year 20 charter members joined together and made application to Dominion Command to be approved as Kensington (Prince Edward Island # 9) Branch. The charter was granted on 26 January 1933 and signed by Dominion President J.S. Roper. The original charter members were Harry E. Bernard, William L. Delaney, John W. Dobson, Frank Dunning, Frederick H. Henderson, Ernest W. Johnstone, Preston J. Kennedy, Robertson Mann, William T. Mill, D. Heath Montgomery, Peter MacDonald, Ira D. McKay, William McKay, Alfred G. McGougan, Ellis Profitt, Rev George T. Spriggs, Benjamin Thibeau, Byron H. Thompson and Ralph N. Thompson.

The Legion held its meetings in the Kensington town Hall from 1932 until 1955 when a new Legion Home was opened. A project was undertaken in 1954 to move a war surplus "H-hut" barracks from Tignish to Kensington. This was accomplished by cutting the H-hut into four pieces, moving the pieces to Kensington and reconstructing them on the present site. The debt for the move and other costs associated with the "new" Legion home was cleared in 1960. Many renovations have been completed over the years. The present exterior of the Legion took shape in a renovation in 1965. A Ladies Auxiliary room and a Veterans Room have been added and bar, kitchen and banquet facilities have been upgraded.

Under the leadership of then President William Ready, a project was begun in 1988 to honour the memory of Ernest W. Johnstone. Lt. Col. Johnstone was a key leader in the formation of the Legion in 1932, a charter and life member of the Branch and a dedicated supporter of community development. In a ceremony on 27 January 1989 the Branch was officially renamed the Lt. Col. E.W. Johnstone Branch # 9, Royal Canadian Legion.

The Kensington Legion has been successful over the years due to its volunteers. Legion and Ladies Auxiliary members have given thousands of hours of service to fellow members and to the community. Members with 25, 30 and 40 years of service continue to work for the betterment of the Legion. Both the present Executive of the Branch and the present members of the Ladies Auxiliary are endeavoring to continue this tradition and are shown below:

The Kensington Legion has had two of its former presidents elected to office as PEI Command President: Comrades John Henderson and Fred Beairsto. The Ladies Auxiliary has had three members elected as Provincial President: Ruth Carr, Gloria Cole and Ruby MacInnis. Also, Ruth Carr is presently serving as Honourary President of the Ladies Auxiliary of PEI.

Branch #9 has contributed significantly to community development. Contributions of volunteer time, funds and facilities have helped make several activities possible. The annual Bedford / Kensington Peek Wee Hockey Exchange, the CO-OP housing developments, the Foot Care Clinic, Meals on Wheels, Blood Donor Clinics, the School Music Program, the Scouting / Guiding movement, the Prince County Hospital and 1231 Army Cadet Squadron have all benefitted.

Branch No. 9 - Kensington - Lt. Col. E.W. Johnstone

Three major projects have been completed by Branch #9. A 16-unit seniors CO-OP housing project was built in 1988 and continues to have a waiting list for tenants. A military museum was built and opened in 1987 and remains the only free-standing military museum in the Maritime Provinces. The Veterans Memorial Gardens was opened in Kensington on 02 July 2001. It combines a granite memorial with a picnic and playground space. The Memorial lists the men and women from the districts served by the Kensington Legion who gave military service in times of peace and war. The central panels list those who gave their lives in the Boer, First and Second Wars and Korea. There is space on the Memorial for those who will serve in the future; names are being submitted regularly and will be placed on the Memorial annually. The Kensington Legion welcomes visitors to the Legion Home, Military Museum and Memorial Gardens. Admission is free.

The notable volunteers who have served as Presidents of the Legion Branch and Ladies Auxiliary are listed below with their years of service:

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 10 - Borden-Carleton

In 1944 Veterans in the Borden, PEI area formed the BESL in a building that was used for the Borden Scouts. The first President was Harry Patterson. In January 1945 we received our charter for The Royal Canadian Legion Branch #10. The building burned down in the spring of 1952.

During the next three years meetings were held in members homes, each taking their turn monthly. In May 1955 we moved into our new Legion Home. In 1968 we added a wing to the building and in 1990 we completely renovated the downstairs. As of March 2003 we have 118 members.

The Ladies Auxiliary was formed in 1955 with Mary Sutherland acting as the first President. The Auxiliary was very active until 1998 when due to a very small membership they folded.

Each year on November 11 we hold a Remembrance Service at our Branch cenotaph as well as an afternoon service in Kinkora, PEI.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 13 - North Rustico

North Rustico Branch No. 13 was issued its charter on 07 December 1945. It is the oldest existing WWII Branch on PEI.

The branch built and operated an outdoor rink on its property in the early years. When the community decided to build its own indoor rink, Branch #13 became the largest single donor pledging \$20,000.00 which was paid off in less than ten years.

In the mid-1950's the branch initiated an essay contest to help develop a spirit of remembrance on Canada's role in the Wars. This contest quickly spread to Zone and then Provincial level. It now covers all Canada and includes poems and posters as well as essays.

In 1985, the branch hosted the National darts championship - a first for PEI. For many years the branch sponsored Red Cross bold donor clinics, as well as the local Boy Scout troop, minor league hockey and ball teams. The North Rustico Branch proudly sponsors the Blue Heron Sea Cadet Corps.

The following comrades have served as presidents of the branch:

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 18 - Miscouche

On completion of the new "Home", the old building was sold and was used by various businesses including the Double D. Restaurant, a motorcycle dealership, and an autobody shop prior to being consumed by fire a few years later.

In 1971, it was decided to build a new branch "Home". This was started in late 1971 and officially opened 30 July 1973. The opening coincided with PEI's Centennial Celebration.

In the cornerstone was embedded a copper urn that contains a history of the Miscouche Legion and personal artifacts of members. The official opening was performed by Comrade Wiley Barrett, Wing Commander Ret. 30 July 1973.

The branch made very good progress and in 1983 was in a position of being able to build a 6500 square foot extension. Not only was this financially viable, but necessary for the expanding business.

The new extension allowed for a larger functions area, Ladies Auxiliary kitchen and Cocktail Bar on the upper floor. On the lower floor, a Veterans / Seniors Room, larger sports rooms and a restaurant called "Wilf's Nook".

On 1 January 1973, the first levee was held and continues to draw large crowds from all over Prince County.

What we may consider a first, in 1974, it was recognized that some kind of organized program was needed to entertain graduating students on graduation night. The branch held a dry dance for students upstairs and downstairs, entertainment for parents. The first safe grad? Branch # 18 has held the Boy Scouts Charter since 1952 with annual financial support. As a community project, Branch made a \$5000 commitment to be paid over 5 years to purchase a new fire truck for the Village of Miscouche.

Prince County Fire Departments had no Jaws of Life Equipment. Miscouche Fire Department pursued this need and a donation of \$3000 to each of St. Eleanors and Summerside Fire Departments made this dream a reality. This has since been copied in other communities in Prince County.

A major reduction in Ladies Auxiliary membership has had a very negative impact. The manager, some paid help and volunteers have to manage banquets, etc. This of course reflects in lower profit at a time legion branches can ill afford it. Younger ladies are joining as associate members and older Ladies Auxiliary members have transferred over. Good for per capita taxes but poor for branches.

The Royal Canadian Legion Ladies Auxiliary Branch 22 surrendered their charter February 2000.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 26 - Morell

At a general meeting called for all ex-service soldiers and sailors in June 1926, The Provincial Command of The Great War Veterans' Association of Prince Edward Island adopted a series of resolutions in favor of the objects and aims of The British Empire Service League.

The Morell Branch of The Canadian Legion received its charter on December 13, 1946 with the late William Geldert as president and Carl MacAdam as secretary. The other members named on the charter were; Reginald MacAdam, Francis MacAdam, Gerry MacAdam, Fred Blaxland, Hubert Coffin, Eldon Drake, J.J. MacDonald, Barney MacDonald, Cecil Eldershaw, John B. McGrath, Edgar Hawbolt, John MacInnis, William Kelly, and J. Allie Murphy. These men were dedicated workers and the success of the branch in the early years of formation was due to their efforts.

The veterans helped each other and helped disabled veterans obtain pensions and medical aid. They worked for the good of the community and in 1947 they built a large outdoor rink at a cost of \$ 3,300.00. In 1953 the veterans bought a house and fitted it for a meeting place with club rooms and a dance hall. They also provided a classroom for two years to the grade eleven pupils who were the first for Morell High School now Morell Regional High. After 1962 the veterans donated scholarships and prizes for the students who attended high school in Morell.

In 1959, The Legion erected a large monument to the memory of those who made the supreme sacrifice in the various wars. In 1961 The Legion at St. Peter's discontinued and amalgamated with the Morell Branch. This amalgamation remains in place today. Over the years The Legion has sponsored Red Cross Swimming Classes, blood donor clinics, Christmas parties for young and old, baseball teams, hockey teams as well contributing to many worth while community causes. In 1962 The Legion applied for a new Charter when it became possible to be known as The Royal Canadian Legion.

In 1967, The Legion purchased the old Morell Elementary School building; remodeled it and moved into it in 1968. The Legion provided, rent free, the second floor of the old LEgion building as a day care center and the bottom floor as a library from 1968-1978 the building was sold and demolished to make way for the present Morell Credit Union. The new Legion home provided a meeting place

for senior citizens. The seniors also held parties and the occasional dance. Space was also provided for boy scouts, dancing lessons, armed forces recruitment center and manpower classes.

The Ladies' Auxiliary of The Morell Branch was organized in 1959 and received its charter May 02, 1962. This Auxiliary proved to be an immense help to the veterans as well as the community at large. Mrs Amy Geldert was the first president, Mrs Helen MacAdam the first secretary and Mrs. James Jay the first treasurer. The Auxiliary raised money by holding bingo as well as catering to banquets, weddings and dinners. The members entertained the Ladies' Auxiliaries from other branches on P.E.I.. They also donated money to the branch as well as other worth while organizations such as hospitals and the challenged children's association. They purchased dishes and equipment for The Legion kitchen as well as furniture for the building.

The following members have served as Legion President since the charter in 1946.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 27 - Bloomfield

Following W.W.II several Veterans in the Bloomfield area began meeting socially in private homes. Under the leadership of Arthur Martin, funds were raised, land was acquired and the Legion Home was constructed with volunteer labour. The Branch Charter was issued on 8th April 1947.

Over the years, under the leadership of Veterans and other members, membership grew, the Legion Home was expanded in the 1960's again in the 1980's and it became a centre which offered social, recreational and banquet facilities for the local community.

The Branch sponsored Scouting groups, local sports teams, donated to local charities, created High School bursaries and made commitments to the O'Leary, Alberton and Prince County Hospitals' equipment funds.

In 1995 a new cenotaph was built (by a W.W. II Veteran) and dedicated on the 50th Anniversary of V.E. Day.

Branch 27 has had an active Ladies Auxiliary from 1957 until the present (2003) and they continue to support the Branch and its commitments.

St. Anthony's Br. 27 continues to uphold the objects of the Legion by promoting Remembrance and the welfare of Veterans and their dependents.

THE ROYAL CANADIAN LEGION PRINCE EDWARD ISLAND COMMAND

Branch No. 30 - Kingston

Kingston Branch # 30 received its Charter from The British Empire Service League on 11 April 1947. The following are the charter members of the branch: First President and charter member-Comrade Earl Docherty. The other charter members are: P.W. Cavanagh, M.L. Murphy, L. Tremere, G.A. Larter, PL.P. Tremere, A.G. MacPhee, N.D. Lamont, W.M. MacNevin, F.W. Holmes, G.M. Henderson, H.F. MacKinnon and J. F. McQuaid.

When the Branch received its Charter in 1947, there was no Branch premises as such. For nearly three years the members met in the Orange Lodge Hall at Kingston. A few meetings were held in the school at New Haven. During this time card parties were held in yet another hall in Long Creek. In 1950, the Charlottetown Branch # 1, offered facilities in their Branch Home for meetings of Kingston Branch and for the next eight years the meetings of the Kingston Branch were held there.

In 1957, the Branch purchased a two acre lot on the corner of what is now the Trans-Canada Highway and the West River Road. The purchase price was \$1,000.00. It was financed by \$10.00 shares, purchased by members and a small loan from the bank. In 1958, the Branch bought an old building that had been a funeral parlour and moved it to their lot. While the building was suitable for meetings, it was too small for card parties and other community activities. In 1959, members bought part of a horse shed from the Presbyterian Church in Canoe Cove, took the shed apart in sections and transported it to the Branch lot and set it up next to the existing building. All the renovations were done by volunteers. Charlottetown Branch loaned the branch \$3,000.00 at 5% interest with the principal repayable at the rate of \$600.00 per year. The mortgage was paid off and the documents burned on 06 February 1964. Two major additions were done to the Branch since 1959, an 11' x 44' wing was added to the East side in 1966 and an extension 22' x 44' was added in 1973.

The Ladies Auxiliary of the Branch was formed in June 1960 and has been very active in supporting the Branch since that time. They have been instrumental in catering to wedding receptions, showers, anniversaries, lobster suppers, Remembrance Day banquets and New Years Eve parties throughout the year. Their contribution to the Branch through their volunteer service and monetary donations throughout the years has been tremendous. Similar to most other Branch Ladies Auxiliary groups, they have been one of the mainstay of the Branch.
