

Finding PEI books:

- All PEI Collection and University Archives' books, reports, government documents, etc. are catalogued in the Robertson Library's main on-line [catalogue](#).
- Try adding the phrase prince edward island to PEI-related searches, and university of prince edward island to searches for material relating to UPEI.
- Avoid acronyms, such as P.E.I./PEI or U.P.E.I./UPEI.
- When viewing the full catalogue record, check under **Location** for duplicate copies, as some PEI titles may have copies available in the STACKS on the second floor of the library. Stacks copies may be borrowed with a UPEI Library card.
- Note: Any PEI Collection and University Archives' titles housed in Special Collections can only be used in the Library.
- The Special Collections Room is closed stack (you must ask staff to retrieve materials) so note clearly the following information and bring it with you to the University Archives and Special Collections area:
 - Book Title
 - Call #
 - Location
 - SPEC-PEI = PEI Collection
 - SPEC-ARCH = University Archives
- If UASC staff are unavailable, staff at the main Library Service Desk may be able to assist you.
